

GenMark Diagnostics to Present at Upcoming Investor Conferences

February 21, 2018

CARLSBAD, Calif., Feb. 21, 2018 (GLOBE NEWSWIRE) -- GenMark Diagnostics, Inc. (NASDAQ:GNMK) today announced that the Company plans to participate in two upcoming investor conferences.

- March 1, 2018, GenMark's management is scheduled to participate in the BTIG Snowbird Healthcare Conference in Snowbird, UT. Due to the format of this event, no webcast is available.
- March 14, 2018 at 10:00am ET, GenMark's management is scheduled to present at the Cowen & Co. 38th Annual Health Care Conference in Boston, MA. Interested parties can access the live and archived webcast at www.genmarkdx.com, under the investor relations section.

ABOUT GENMARK DIAGNOSTICS

GenMark Diagnostics (NASDAQ:GNMK) is a leading provider of multiplex molecular diagnostic solutions designed to enhance patient care, improve key quality metrics, and reduce the total cost-of-care. Utilizing GenMark's proprietary eSensor® detection technology, GenMark's eSensor XT-8® and ePlex® systems are designed to support a broad range of molecular diagnostic tests with compact, easy-to-use workstations and self-contained, disposable test cartridges. GenMark's ePlex: The True Sample-to-Answer Solution™ is designed to optimize laboratory efficiency and address a broad range of infectious disease testing needs, including respiratory, bloodstream, and gastrointestinal infections.
